

# 2016-2017 Annual Improvement Goals

To use the results from the MAP assessment and TIER assessment given during the 2015-2016 school year, I would suggest the following Reading, Math and Science goals for 2016-2017.

## **Reading Goal**

### **Reading Goal for 2016-2017:**

In the Spring of 2017, **70%** of students in grades 1-6 will be at or above benchmark on the Fast Adaptive aReading assessment.

This is a new goal, using the result of the Iowa TIER aReading Assessment

## **Math Goal**

For the 2016-17 school year, **60%** of students will achieve their growth targets as identified by the fall to spring iReady Math Assessment.

These are new goals, using the result of the iReady Math Assessment. Recommendation from iReady was 60% for the first year of using this assessment.

## **Science Goal**

For the 2016-17 school year, **73%** of students will achieve their growth targets as identified by the fall to spring Measures of Academic Progress (MAP) testing.

These are goals, using the result of the Measures of Academic Progress (MAP) Assessment

## **Early Intervention Goal**

For the 2016-2017 school year, **80%** of Kindergarten and First Grade students will be at or above benchmark as demonstrated on the spring FAST aReading assessment.

## **Bullying/Harassment Goal**

For the 2016-2017, to have fewer than **3** official reports to the administration of a bullying/harassment incident.
