

VICE-PRESIDENT

If the board president is unable or unwilling to carry out the duties required, it is the responsibility of the vice-president of the board to carry out the duties of the president. If the president is unable or unwilling to complete the term of office, the vice-president will serve as president for the balance of the president's term of office, and a new vice-president will be elected.

The vice-president of the board will be elected by a majority vote at the organizational meeting to serve a one year term of office.

The vice-president will accept control of the meeting from the president when the president wishes to make or second a motion. The vice-president will take an active role in board decisions by discussing and voting on matters before the board in the same manner as other board members.

In the President's absence or un-availability, the Vice President may sign employment contracts, other contracts, and district warrants; the same as the President.
